FATHERS DAY

Mission

To give meaning and help in overcoming the Barrio Las Americas in which we have intervened for more than 40 years with tangible results.

Vision

Position ourselves as an Integral Community Development Center that contributes to improving the quality of life of children, adolescents, adults and older adults in the southwest of Las Americas neighborhood.

Focusing our action on recreational activities. Cognitive training, recreational, sports and cultural activities.

SCHOOL DAYS

Reading Comprehension activity with 4th grade students

Mathematical exercises with fractions with 5th grade students

NEWSLETTER

JUNIO 2023.

Playful activities to strengthen coordination, attention, directionality and listening strategies for 2nd and 3rd grade children.

Attendance : 24 students

We received the Procaps Foundation and Unilibre who spoke with our seniors about the importance of physical activity and self-care.

Father's Day celebration with Relianz.

During the day, we had a preventive health talk, contests, handouts of activities to develop skills, and refreshments and gifts.
